Château La Pierrière, Castillon - Côtes de Bordeaux

In the late 1800s, Château La Pierrière was a benchmark in Saint-Émilion! When the area of the appellation was defined in 1934, there was no question of including this 13th century fortified castle, located at the opposite end of the spectrum from Château Cheval Blanc and outside the municipal boundaries. It met all the standards of the purest Saint-Emilion. It owes its name to the rocky outcrop. Its turrets look over and which, from Pomerol to this easternmost point, forms the exceptional subsoil of this famous region. The appellation system thus deprived Château La Pierrière of an advantage that its terroir has nevertheless preserved. The 40-hectare estate is planted of 80% merlot, 15% cabernet franc and 5% cabernet sauvignon with an average age of the vine of 35 years.

Château Loudenne, Médoc - Bordeaux

Château Loudenne is a historic property with over 350 years of history. The geographic location of the winery is at the heart of the Médoc, on the banks of the Gironde estuary. The situation of the estate on the riverbanks provides an exceptional terroir for wine growing that is rich in gravel. The estuary also has a positive impact on the climate of the region. With all of these elements in place, Château Loudenne continues to produce distinctive and elegant wines made from their estate vineyards that surround this historic "Suffolk pink" château. Since its acquisition by the Gouache family, the château has entered into a new chapter towards establishing a level of quality and dedication to its terroir.

An extensive selection of Classified Growths of Bordeaux is also available upon demand.

ITALY | Piedmont

Borgogno, Barolo/Langhe - Piedmont

Founded in 1761 by Bartolomeo Borgogno, Borgogno is the most historical winery in Barolo. Located in its heart, the underground cellars continue to represent a rare historical memory of the Langa and the wines are made according to tradition: long spontaneous fermentations in concrete tanks without the use of selected yeasts, and long periods of ageing, strictly in large Slavonian oak barrels. Borgogno owns some of the most prestigious vineyards in the Barolo area (Cannubi, Liste, Fossati, San Pietro delle Viole). With absolute respect for the earth, they use no chemical fertilizers, no herbicides, practice only eco-friendly treatments and enhance biodiversity. This results in being certified as organic for the 2019 harvest. Today, Borgogno continues to be the expression of its terroir, tradition and history, always with a watchful eye on the future.

Cathiard Vineyard, Napa Valley

On the slopes of the Mayacamas mountains, Florence and Daniel Cathiard purchased the estate after falling in love with its biodiversity. This connection to nature has been the cornerstone of their properties in Bordeaux, including Château Smith Haut Lafitte which they have owned since 1990. The wines express the true character of this terroir, showing the purity of fruit in addition to an incredible complexity and defined character. Exquisite wine and the site is absolutely magnificent. A rising star in Napa Valley!
